Prem Safety Works is considered as a leading trader, wholesaler and importer of Safety Harnesses, Safety Helmet, Safety Jacket, Foam Ear Plug and many more.

About Us

Established in the year **1982**, one of the foremost traders, wholesalers and importers of this flawless and miscellaneous diversity of **Safety Products**, we, **Prem Safety Works**, are incorporated our operations at **Delhi, India**. Our product series comprises of **Safety Harnesses, Safety Helmet, Safety Jacket, Foam Ear Plug and many more**. These products are manufactured by following the guidelines and values set by the market and employing the best grade material and progressive technology. Owing to this, the available range is recognized to have excellent performance, long working life and sturdiness. Additionally, the presented variety is accessible at the most inexpensive rate possible. We import these products from China, Sri Lanka, Malaysia.

For reasons of standardizing our existence in the market, we keep upgrading of the proficiency on consistent basis. Our vendors are armed with all the required machinery and tools, which help us in the attainment of our client's needs and wants, in the most talented manner. For motives of supervising the processes of the firm, with extreme ease, the ability has been isolated into a number of working divisions. Under the management of our Director **Mr. Prem Arora**, we have accomplished to conquer several heights of success. His proficiency to understand market changes and make perfect decision is highly esteemed.
